ABOUT PCET

The Pimpri Chinchwad Education Trust (PCET) was founded by the visionary Late Shri. S.B. Patil in September 1990 with a profound commitment to delivering high-quality, value-based education. From its inception, PCET's core goal has been to provide transformative educational experiences that enrich individuals and empower communities. Its mission is to serve society, industry, and all stakeholders by offering exceptional educational opportunities across various disciplines, including engineering, management, and computer applications.

PCET is dedicated to fostering an environment where the creation, dissemination, preservation, and application of knowledge thrive. This commitment extends to nurturing artistic expression and upholding academic values that prepare students for the complexities of the modern world.

At the Akurdi campus in Pune, approximately 7,200 students are immersed in specialized programs such as Engineering, MBA, MCA, and PGDM. These programs are delivered by a team of dedicated and passionate educators who are committed to guiding students towards academic and professional excellence.

The Ravet campuses further bolster PCET's educational mission. The College of Engineering houses around 1,200 students, while the Junior College accommodates 800 students and the Public School serves approximately 2,500 students. Together, these campuses form a vibrant academic community with a total student body of around 11,700.

PCET's unwavering focus on excellence in education, combined with its expansive range of programs and dedicated faculty, continues to set a benchmark in delivering quality education and fostering holistic development.

ABOUT PCU

Since its inception in 1990, Pimpri Chinchwad Education Trust (PCET) has been a beacon of academic excellence. Our mission is to ignite a passion for learning and foster growth in every student. With 11 institutes across our campuses in Nigdi, Ravet, and Sate, PCET has impacted the lives of over 46,000 students. Our renowned institutions, including Pimpri Chinchwad College of Engineering, Pune Business School, and S.B. Patil College of Architecture & Design, are among the most sought-after in the country. The establishment of Pimpri Chinchwad University (PCU) marks a new chapter for PCET, with the aim of transforming students into future leaders and innovators. Located on a sprawling 30-acre campus in the bustling Pune Metropolitan Area, PCU is equipped with state-of-the-art facilities that inspire and empower both students and faculty.

PCU provides quality education across a diverse range of disciplines, including Engineering, Design, Pharmacy, Health Sciences, Computer Applications, and Media. Our modern laboratories are outfitted with cutting-edge technology to enhance practical learning. We maintain a disciplined academic environment that ensures rigorous and effective education.

Our expert faculty members, who bring extensive experience and knowledge to their teaching, play a crucial role in delivering high-quality education. Additionally, PCU offers advanced certifications to provide students with specialized skills and qualifications. We also have strong international collaborations, partnering with global institutions to offer students a broader perspective and opportunities for international exposure. With our proximity to major industry players like General Motors, JCB, and Infosys, students have exceptional opportunities to engage with the business world and gain valuable real-world experience.

PCET FOUNDER MEMBERS

Pimpri Chinchwad Education Trust (PCET) takes pride in its pivotal role in making Pune a premier educational hub. Established in 1990 by the visionary leaders Late Shri Shankarrao B. Patil, Late Smt. ACADEMICS PEDAGOGY AT PCU

NEP Compliant Curriculum

PCU add new curriculum to ensure that we are in pace with industrial needs, keeping in mind the guidelines of NEP. PCU updates the syllabus continuously by taking the help of industry experts to arm the student with practical knowledge and skills applicable directly to real-world situations. Strategic relevance focus in curriculum design facilitates a smooth transition of graduates to the work environment, thus improving employability significantly.

Contemporary Majors Designed by Industry and Academic Experts

PCU academic offerings include contemporary majors crafted by industry and academic experts, ensuring alignment with international standards. The course-structure is efficiently tailored to align with current trends and the future developments, boosting its significance and forward-looking nature.

Project-Based exploratory learning

PCU prioritizes experiential learning through community engineering projects that enable students to apply theoretical and practical contexts for societal benefit. This hands-on approach enhances comprehension while cultivating critical thinking and problem-solving skills which is essential for professional upliftment.

International and National Certifications

To augment the qualifications of our graduates, PCU facilitates opportunities for obtaining international and national certifications across various disciplines. These credentials validate the skills acquired during their studies and bolster their global employability. The partnerships with esteemed organizations ensure that these certifications are recognized and valued across multiple industries.

Multidisciplinary Minors

At Pimpri Chinchwad University (PCU), we believe in the power of universal education which aligns with the National Education Policy (NEP). That's why we offer multidisciplinary minors that let students expand their academic interests and explore new areas beyond their main fields of study. This initiative not only helps create a well-rounded educational experience but also prepares students to be ready for today's fast-changing job market. Students from engineering background can also able to learn minors from other disciplines like social sciences law, etc.

Research and Innovation Atmosphere

PCU cultivates a robust atmosphere conducive to research and innovation. The university encourage and supports interdisciplinary research activities by motivating students for generating research-based outcomes. Students are guided in publishing their research work in reputed conferences and journals. Some of our students have already won best research paper award in the competition conducted under the heads of Viksit Bharat 2024. Facilities like plagiarism checking are freely provided to all of our students and faculties.

Dedicated Faculty with Industry Experience

PCU faculty consists of seasoned professionals with substantial industry experience, providing students with education rooted in practical applications. Their insights into industry dynamics equip students with a comprehensive understanding of their chosen fields, effectively bridging the gap between theory and practice.

Ability Enhancement through Foreign Language Courses

To equip PCU students for a global job market, PCU offers foreign language courses that enhance communication skills and cultural awareness. Proficiency in foreign languages significantly improves employability and facilitates engagement with diverse communities, expanding professional networks. Currently we are providing sessions on foreign languages like German, Japanese and

Focus on Placement Preparation

PCU acknowledge the critical role of placement preparation and have established comprehensive support systems to assist students in securing desirable positions after graduation. Our placement cell conducts workshops, mock interviews, and resume-building sessions, ensuring students are thoroughly prepared for the competitive job landscape.

PCET's Pimpri Chinchwad Education University (PCU) welcomed esteemed Japanese dignitaries Mr. Renya Kikuchi, Chairman of SCCIP Co. Ltd., and Mr. David Prakash, CEO of LSCL Robotics Pvt. Ltd. Mr. Kikuchi emphasized the significance of robotics education and career opportunities in India and Japan, while Mr. Prakash discussed emerging trends in the job market and opportunities for Indian students in Japan.

PCET'S Pimpri Chinchwad University had the immense honor of welcoming our esteemed Guest of Honour, His Excellency Mr. H. Dillum, High Commissioner of Mauritius, along with his wife, Mrs. Bharti Dillum. We were also delighted to host Dr. Gaurav Gupta, Founder President of GTTC India for an engaging meet and greet at the PCU Campus

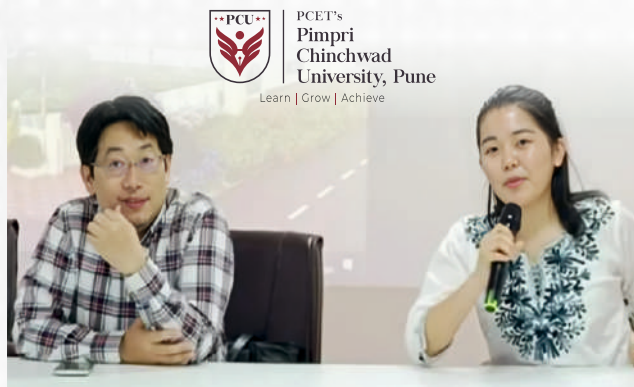

PCU had the honor of hosting Prof. Dr. Ganpati Ramanath, John Tod Horton Professor of Materials Science & Engineering at Rensselaer Polytechnic Institute, Troy, NY, USA. His visit provided valuable insights into materials science and engineering. The engagement enriched the academic experience for students and faculty. It also strengthened our international academic ties.

PCET's Pimpri Chinchwad University proudly hosted renowned industrial leaders Mr. Dhaval Desai and Mr. Pinak Mehta from Nigeria. They received a warm welcome from Dr. Girish Desai (Executive Director), Dr. Manimala Puri (Vice Chancellor I/c), and Dr. Sudeep D Thepade (Pro Vice Chancellor). The visit fostered valuable discussions on industry collaboration.

GUEST VISIT @ PCU

Mr. Sasaki Kazunori from the University of Tokyo and Japanese student Nanami visited the PCU campus and addressed the students. Their visit provided valuable insights into Japanese culture and education. The engagement fostered cross-cultural understanding and collaboration. Students benefited from the interactive session and shared experiences.

Consul General of Sri Lanka, Dr. Valsan Vethody, and his wife Mrs. Anita Valsan Vethody, along with Mrs. Shirani Ariyaratne, Consul (Commercial), Ms. Akanksha Shah - Executive Assistant to the Consul General, Mrs. Surashree Bhattacharya - Visa Assistant, and Mr. Subramaniam, Protocol Officer, for an Academic Collaboration Meeting.

PCU warmly welcomed USA delegates Dr. Neal Phillip and Dr. Paramita Sen to our campus. Their visit aimed to strengthen academic collaboration and exchange. The engagement provided an opportunity for meaningful discussions with faculty and students. It fostered valuable connections between the institutions.

Ms. Andrea Kühn, the Consulate General of South Africa, visited Pimpri Chinchwad University (PCU). Her presence highlighted the importance of international relations and collaboration. The visit offered opportunities for discussions on educational and cultural exchange. It aimed to strengthen ties between South Africa and the university.

GUEST VISIT @ PCU

Sir Graham Robert Watson visited PCET and PCU, bringing valuable insights from his extensive political career. A British Liberal Democrat politician, he served as an MEP for South West England from 1994 to 2014. His visit fostered discussions on political engagement and education. It provided an opportunity for students to learn from his experiences in European politics.

Dr. Animesh Jha, professor at the University of Leeds in the UK, and Dr. Matjaz Valant, professor of ceramic materials and Vice Rector at the University of Nova Gorica in Slovenia, visited PCET and PCU to work together on research.

Angela Miller, (Head of International Partnership Administration & Governance) & Dawn Anderson (Associate Dean International) from Glasgow Caledonian University, Scotland and Amy Easton (International Partnership Manager from Edinburgh Napier University, UK visited PCET's Pimpri Chinchwad University

Mr. Tsuchiya, CEO of Marutsu, and Mr. Tsuchida, CEO of Inpro Japan, visited PCET and PCU. Their visit aimed to explore potential collaborations and partnerships. The engagement provided valuable insights into industry trends and practices. It strengthened the university's ties with leading Japanese companies.

STUDENTS FEEDBACK

Akshay Thakre, MBA Student

At PCU, students are groomed exceptionally well, with the faculty and staff being incredibly helpful. The environment here is refreshing and inspiring. You too can join and experience significant development in your career.

Nikita Pawar, MBA Student

I am thoroughly enjoying my time at Pimpri Chinchwad University and appreciate the supportive faculty. The activities here are becoming more engaging with each passing day, making my experience even more exciting.

Kostubh Mahale, MBA Student

My first recommendation is to take admission at Pimpri Chinchwad University, Pune. Here is a fresh environment and supportive faculty, and a good hostel facility provided for the students.

Lavina Borhade, MBA Student

PCU has an excellent environment and the weather here is amazing and the next 2 years will be upgrowing for me.

Vikas Singh, MBA Student

PCU offers a fresh and vibrant environment, supported by a dedicated faculty. The innovative programs and diverse culture have profoundly impacted my journey, enriching both my academic and personal growth.

Sakshi Bhosale, MBA Student

The environment here is truly amazing. All the faculty and staff are incredibly helpful, making my experience even more enriching.

Pratiksha Bhosale, BBA Student

"I'm absolutely loving my time at PCU! The campus is like a futuristic dream come true - it's designed to inspire creativity and innovation. Plus, the sports facilities are amazing, so I can stay active and pursue my passions outside of class."

Pruthviraj Mhaske, MBA Agri Business

"If you're looking for the best university in Pune, look no further than PCU! The modern infrastructure and awesome hostel facilities make it the perfect place to learn and grow. And with top-notch sports facilities, you can stay motivated and engaged every step"

Jayesh, B.Tech AI & DS

"Stepping onto the campus of PCU feels like entering a whole new world! The modern amenities and vibrant student life make it the perfect place to learn, grow, and thrive. And with exceptional sports facilities, you'll never be bored or uninspired."

PARENTS FEEDBACK

Sanjay Thorve

All the trustees are excellent. The university offers a refreshing environment, supportive faculty, and a well-maintained hostel facility for students. I highly recommend that all parents visit Pimpri Chinchwad University in Pune.

Rajendra

My experience over the past year at Pimpri Chinchwad University, Pune, has been positive. The hostel facilities and teaching methods are commendable. I would like to express my gratitude to the trustees and all the heads of PCU.

Ashwini Rasal

PCU has experienced faculty members who provide excellent support and motivation to students. The coordination of exam facilities is smooth, and regular parent-teacher meetings ensure strong communication between the faculty and students. Overall, the support and guidance offered by the teachers are excellent

Narayan Karpe

PCU has experienced faculty members who provide strong support to students, preparing them exceptionally well. I am satisfied with the facilities they offer.

INDUSTRY EXPERT FEEDBACK

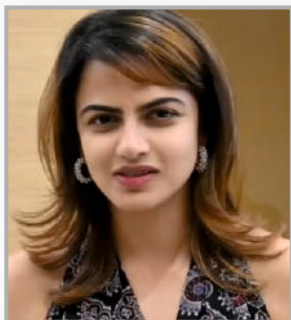

Mr. Mukesh Kataria
Senior Executive, IBM

PCU prioritizes the all-around development of students with state-of-the-art infrastructure in a pollution-free environment. With excellent faculty and a strong academic focus, including courses on human values, PCU is an outstanding choice for aspiring students.

Mr. Bharat Pawar
Vice President of Tata Communications

I was impressed by the students' enthusiasm and curiosity, making the interaction engaging. Pimpri Chinchwad University stands out as a top institution committed to bridging academic knowledge with industry practices and nurturing the next generation of engineers.

Ms. Arya Taware
Founder and CEO of Future Bricks

With excellent faculty and a strong academic focus, PCU is an exceptional choice for aspiring students. The faculty provides exceptional support, thoroughly preparing students for their future.

Mr. Prasad Muddam
Founder, CEP and Chief Industrial Designer
Heamac Healthcare Pvt. Ltd.

As someone with experience in the design industry, I'm truly impressed by the work Pimpri Chinchwad University (PCU) and Pune Design School are doing to build a vibrant design culture. Pune Design School stands out for its focus on hands-on learning and strong ties to the industry. The students are not only equipped with the technical skills they need but also the creative mindset to excel.

Dr. Sanjay Singh
Sr. Journalist

Pimpri Chinchwad University stands out by providing students access to esteemed industry experts, enhancing their academic experience and giving them a head start in their careers. This collaborative environment encourages students to explore ideas, take risks, and push the boundaries of innovation.

Mr. Pramod Jain
Financial Strategist, CA

I had the privilege of interacting with BBA and MBA students at PCET's Pimpri Chinchwad University, where I was impressed by the well-rounded curriculum blending academic rigor with practical applications. This approach is crucial for success in today's fast-paced business environment, and it was a pleasure to be part of their learning journey!

Mr. Naresh Golla
Founder of DFL Group & DIFT Foundation,

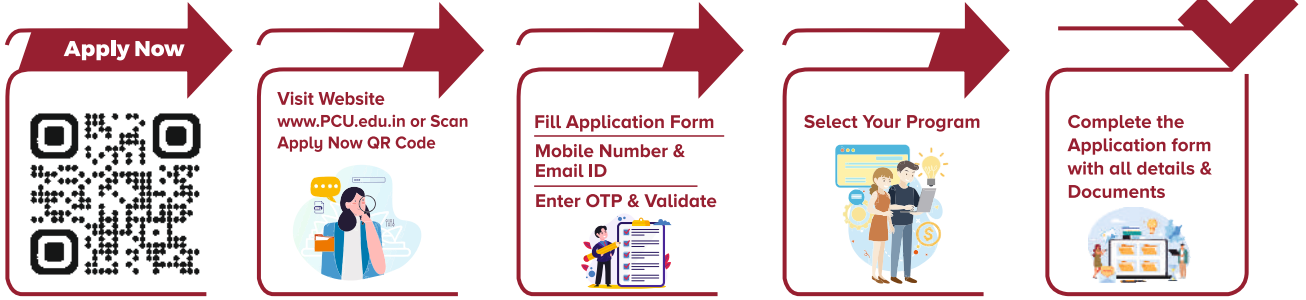

PCU stands out for its unique blend of academic rigor and industry relevance, with students who are knowledgeable, curious, and passionate about making a difference. The dedicated faculty members I met are genuinely invested in the students' success, creating a supportive learning environment.

Shri. Sachin Itkar
Industry Expert, Healthcare Sector

Having worked in the industry, I'm genuinely impressed by the way Pimpri Chinchwad University is nurturing a culture of growth and innovation. The university strikes the perfect balance between creativity and real-world application, creating an environment where students are encouraged to grow, explore, and truly thrive.
